Working group meeting in Copenhagen
November 8-12, 1999

Ref.: KD File No: 12331 Date: 1999-08-27

Dear WG members,

Danish Standards Association greet you welcome to a working week in Copenhagen.

The meetings are going to be held in our premises,

DANSK STANDARD

Kollegievej 6

2920 Charlottenlund

Denmark

Hotels

The venue is no more than 30 minutes away from downtown Copenhagen by taxi, while it requires a bit more time if you choose metro/bus and walking.

Dansk Standard has special rates with a number of hotels, three of which are in our neighborhood (cphhotel_1.pdf) and the remaining hotels being in the centre of Copenhagen. The 'Copenhagen' trailing letters K and S in the addresses indicates hotels slightly more distant from the metro line than the letter V.

However, no hotels are in a convenient walking distance from the venue place.

Please make use of the list of hotels (downtown as well as local) with which we have special rates, and all of them can be recommended.
